## Yale Lock Kit for Smarts Visofold Bi-Fold Doors

### Yale Lock Kit for Smarts Visofold Bi-Fold Doors

Our Lock Kit for Smarts bi-fold doors features a top quality Yale door lock. It is the ideal partner for Clearspan bi-fold door hardware.

The 28mm backset lock provides effective locking and compression through a latch and central deadbolt, 2 hooks, 2 linear bolts and 2 adjustable roller cams.

The one piece striker plate speeds up the fitting process and provides a strong locking connection. Perfect compression is ensured by 9 profile related under packers.

Ordering is simple as the lock, striker plate and packers are all supplied as a Yale Lock Kit under a single part number.

The correct handing is determined as follows;

LH Kit = LEFT hand hung OUTWARD or RIGHT hand hung INWARD opening door viewed from outside

RH Kit = RIGHT hand hung OUTWARD or LEFT hand hung INWARD opening door viewed from outside

### VBH Codes

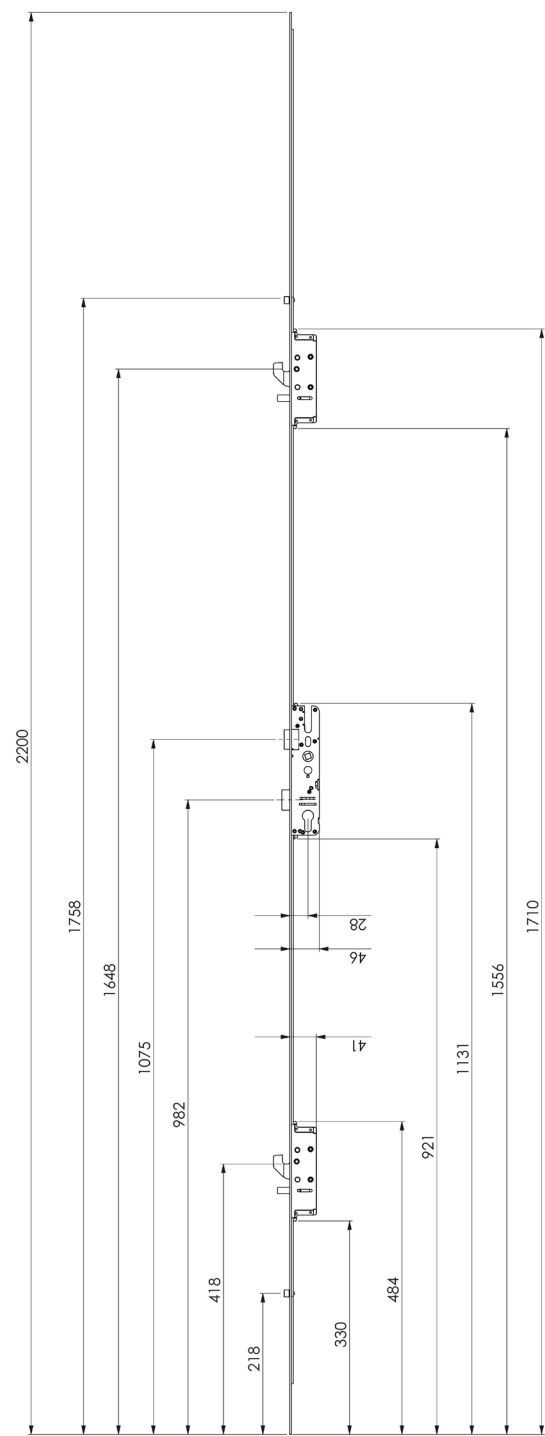

Description	VBH Code
