## MILLENCO MANTIS 3

### Multi-point lock for PVCu, Timber & Composite Doors

Mantis 3 is a premium quality multi-point door lock suitable for PVCu, composite and eurogrooved timber doors.

The lock features a central latch and deadbolt, and a combination locking point consisting of a hook, a deadbolt and a roller cam at the top and bottom for PVCu doors or hook/deadbolt combinations for composite and timber. If desired, it is also possible to fit vertical shootbolts.

Mantis 3 is compatible with Hoppe door handles stocked as standard at VBH. These are available in 6 finishes, including PVD gold and chrome.

A wide range of profile-related packers ensures that the lock fits most popular PVCu profiles.

#### Features and benefits of Mantis 3 from VBH:

- Hook/deadbolt or hook/deadbolt/roller cam combinations
- Optional vertical shootbolts
- 25mm 'deep throw' hooks
- 35 or 45mm backset
- Option of with or without shootbolts

- Slave door lock
- Full length keeps for PVCu or individual strikers for composite and timber doors
- Double spindle (unsprung) reduces stock
- 92/62mm hole centres
- Easy latch reversal (from front)
- 16mm faceplate
- 10 Year Mechanical & Surface guarantees
- Security Guarantee

Millenco produce many variants of Mantis 3 and if the feature you specifically require is not listed above, ask us, as we may be able to supply you on a special order basis.

#### Other features include:

- Stainless steel faceplate
- 20mm faceplate
- Single spindle sprung option (standard 92mm centres)
- Central hook option
- Latch hold back snib
