### greenteQ Coastline Stainless Steel Door Handle set

The greenteQ Coastline handle set is part of the architeQ range of stainless steel door and window furniture that is guaranteed for up to 25 years.

The Coastline lever/lever's stainless steel construction backplates and levers are ideal for installations in coastal regions or other areas where corrosion protection is a major concern, as they achieve over 1000 hours neutral salt spray test results.

The handles are available in PVD gold, polished stainless steel and brushed stainless steel and all are supplied with the 25 year architeQ surface guarantee.

Coastline door handles are available in long backplate sprung lever/ lever format so will fit most 92PZ locks.

#### Benefits at a glance:

- Grade 304 stainless steel construction for exceptional corrosion resistance
- Works with most 92PZ door locks
- Same door prep as standard long backplate Alpha handle
- Part of the architeQ range
- 3 attractive finishes from stock
- 25 year architeQ surface guarantee
- Q-secure PREMIUM PLUS approved product
